Brequinar in Resistant − Up : GO Cellular Component
side of membrane
transmembrane transporter complex
transporter complex
external encapsulating structure
extracellular matrix
external side of plasma membrane
monoatomic ion channel complex
respiratory chain complex
oxidoreductase complex
9+2 motile cilium
sperm flagellum
blood microparticle
ER to Golgi transport vesicle membrane
MHC protein complex
cytochrome complex
lumenal side of membrane
tertiary granule lumen
lumenal side of endoplasmic reticulum membrane
respiratory chain complex IV
